

A background image showing several woven labels on fabric. The labels are in various colors (red, yellow, blue, white) and feature different designs, including logos and text. The focus is on the texture and detail of the weaving.

# WOVEN LABELS

**State-of-the-art technology**

We offer the latest weaving technology to create consistent, high-definition quality labels, including the newest and trendiest weaves and textures in the market.

**Wide Array of qualities, finishes, specialties & innovations**

Our creative teams offer you innovative design solutions to fulfill your label requirements at the quality and competitive pricing you need.

**Convenient production facilities in most major sourcing locations in the world**

Our in-country production facilities offer you on-time expedited woven labels to meet the fast-paced production lead times in today's apparel market.

For samples or more information on our offerings, please contact your Sales Representative.
