WHO WE ARE

Over the course of 35 years, FINOTEX have diversified into an all-in-one supplier of brand identification solutions for the apparel and related industries. This has allowed us to become the partner of choice for top names in global manufacturing and to serve a multitude of clients through our skilled workforce of 1,200 employees around the world.

We are privately owned, giving us full control of our rapid growth and global operations.

Our state of the art manufacturing plants at strategic locations worldwide make us one of the world's leaders in the label and packaging industries.

Our vision is to be leading company in brand identification products for the apparel industry in the global markets. We strive to be recognized as an excellent example in the industry by offering superior quality products, competitive pricing and unparalleled customer service.
